Stewarding our Gifts: Go in peace glorifying the Lord by your life:

In today's Gospel, we see the rare occurrence of Jesus' anger; He is angry at how the people have defiled His Father's house. In light of this reading, the baptized stewards should not only consider their own use of the church building, but also the use of the other "temples" in their lives. Have we defiled the domestic church? Perhaps our homes are filled with so much technology and "noise" that we can't begin to find God there. And what about the temple that is the human body?? Perhaps this Lent is the perfect time for us to cleanse our various "temples," making them perfect homes for our Lord.
