Parish Doors

The new door access system for the church doors and the front door and east hallway door of the parish hall are now active. In order for this system to work properly, please do not change how the hardware on a door is set. Some doors will have the hardware set to a locked position and some will have it set to a unlocked position. This is what will allow the new system to function. There are new keypads on the ramp door of the church and the east hallway door of the hall. If you need the code, please talk to Renee or Fr. Brian. The church doors and the front door of the hall are set to automatically lock at 9:00 pm each evening.

Stewarding our Gifts: Go in peace glorifying the Lord by your life:

Stewardship involves recognizing and receiving God's gifts. Today's Gospel describes the greatest of God's gifts -- His only begotten son. Jesus was raised up on the cross as a sign for all to see. He came to shed light on the truth. He IS the truth. Do you, fellow steward, see Him? Do you follow Him? Do you recognize the gift that He is? Do you live a life that demonstrates gratitude for the gift you have received? Take a moment today to gaze upon the crucifix and receive God's most precious gift that is Jesus Christ.
