**Women's Group at St. Joseph, Andale**

You are invited to a women's group that will complete a 33 day Marian Consecration. The book we'll use is titled: Preparation for Total Consecration to Jesus Through Mary: According to St. Louis de Montfort. We'll gather once a week, deepen our prayer life and community relationships in preparation for Mother's Day. This 33 day book study will conclude on May 13th., a Marian Feast Day, when we celebrate Our Lady of Fatima. To start, you'll have to purchase the book and start day 1 at home. You can also find it free online at: <https://www.fisheaters.com/totalconsecrationmontfort.html>. We'll gather April 11th and share the details for this journey. If you, and/or another lady you know would like to join us for fellowship and prayer, please share. You do NOT have to belong to St. Joseph, Andale to join us! You can come to as many or few of the weekly activities as you'd like.

We understand that the book can be completed independently, but would like to extend a chance to get out of the house and join the ladies. Please RSVP to [love2teach2blogger@gmail.com](mailto:love2teach2blogger@gmail.com) or (316) 390-6296, so we know how many snacks to prepare for each afternoon/evening! The first 3 and a few others involve food. There will be a few material gifts and spiritual gifts to be found along the way!

**Stewarding our Gifts: Go in peace glorifying the Lord by your life:**

"There was no needy person among them..." Today's reading from Acts speaks of the first disciples as they lived out their stewardship, sharing with one another and meeting each other's needs in terms of property, but they were meeting one another's spiritual needs, too. On this Divine Mercy Sunday, we are encouraged to consider the people around us -- at home, at work, at church. We are truly surrounded by needy people; they need love, forgiveness, and compassion...they need mercy, and who better to meet that need than us? Today is a perfect day to cooperate with God's plan to deliver mercy to all people!
