Fully Alive as Missionary Disciples

James writes in his letter how generous of a gift faith is: In James 2:5, he wrote: "Did not God choose those who are poor in the world to be rich in faith and heirs of the kingdom that he promised to those who love him?" Discipleship does not have to be complicated, and it is not reserved for the elite. In the Gospel today, we see proof of this in a man whose ears and mouth are "opened" so that he can hear and speak plainly. In a physical sense, his handicap was removed. In a spiritual sense, he was freed from the deafening lies of the world that were inhibiting his being "fully alive" as a disciple. Faithful stewards realize that to be "fully alive" means putting the world aside and living only for the riches of the promised kingdom realized both now and in eternity.
