Fully Alive as Missionary Disciples

In today's Gospel we see the awkward scene where Jesus rebukes Peter, saying, "Get behind me Satan. You are thinking not as God does, but as human beings do." This seems harsh because Peter was simply speaking out against something that truly offended and saddened him -- he certainly was not trying to play the part of Satan! But how often do we let our fears get in the way of God's plans? How often do we shy away from proper stewardship of our gifts because we don't have faith??
