Fully Alive as Missionary Disciples

Christmas is a time for sharing gifts, but our secular world has contorted what those gifts ought to represent. We can look at the gifts shared by the magi to help us return to the true intent of gift giving. The first gift presented to Jesus was gold -- a gift that foreshadowed His Kingship! The second gift was incense -- a gift that foreshadowed His Priesthood. The final gift was myrrh, oil used in preparing a body for burial -- a gift that foreshadowed His sacrificial death. While the gifts were quite valuable, monetarily speaking, it was even more special that they were clearly inspired by the Holy Spirit and served the Magi well as they worshipped the newborn Lord. In this light, let us consider the gifts that WE bring to the Lord. How do those gifts represent our sacrifice? Do we believe that those gifts were inspired by the Holy Spirit, and do we allow the gifts to help us worship Jesus Christ? Do we allow our gifts to help us live our missionary discipleship more fully? As we begin a new year, it is important to be purposeful and loving in sharing our gifts with God and with one another.
